

# Spotlight of the Month

## *Anya Gustafson*

We are so pleased to announce that Anya Gustafson is our March Student of the Month! Anya is taking over 10 classes per week here at the studio, is on the Northville High School JV Dance Team, and has near perfect attendance. When she is in class she's giving 100% all of the time! She is a wonderful example for her peers and our younger students. Thank you to Anya for all of her hard work and dedication.
